

Oleksa Breslawec, PE Joins AKF Group LLC

Oleksa Breslawec, PE

AKF Group is pleased to announce that Oleksa Breslawec, PE has joined the firm's Arlington, VA office. Mr. Breslawec brings 25 years of experience in facility consulting, energy services, commissioning, engineering, and program management for higher education, healthcare, corporate, federal, state and municipal government clients. He will work with executive leadership of AKF to develop and expand AKF services for clients in the Mid-Atlantic region as well as nationally for the federal government and higher education market sectors.

Mr. Breslawec was a co-founder and Vice President of an ENR top 500 engineering firm and previously served as managing principal of its Washington, DC regional office. "Oleksa's client service philosophy is complementary to the fundamental beliefs of AKF and our corporate values," explains Paul Bello, AKF's Managing Principal. "His reputation and experience bring added depth and capability both regionally and nationally as we further enhance our leadership team for the benefit of our clients."

Mr. Breslawec is a Professional Mechanical Engineer registered in 25 states. He is a long-term member of several leading industry organizations including APPA, IDEA and ASHRAE, and has been a speaker at numerous industry conferences. He can be reached at 703.351.7686 (office), 571.221.1276 (cell), or email at obreslawec@akfgroup.com.
