

NEW HIRES

AKF GROUP HIRES THREE SENIOR ENGINEERS

Mark E. Etheridge, PE, LEED AP

Mark E. Etheridge, PE, LEED AP, has joined the firm's New York office as a senior electrical engineer and a member of the healthcare leadership team. Mark has over 20 years of experience in the design and operation of healthcare facilities, having worked for a large electrical contractor and having served as the Director of Construction and Property Management for a six hospital system in Florida. In particular, his experience as an Owner gives him the ability to help make design decisions based on operational drivers as well as engineering codes and practices.

Mr. Etheridge is a Professional Engineer (Electrical) registered in Georgia, Ohio, Mississippi and North Carolina. He is a member of ASHE and has been a speaker at industry conferences. He can be reached at 212.548.1414(direct), 646.942.4085(cell), or email metheridge@akfgroup.com.

Raymond A. Lemley

Raymond A. Lemley has joined the firm's Princeton office to lead the commissioning team throughout the Mid-Atlantic Region. He brings over 37 years of experience in commissioning and construction administration for a wide variety of project types including corporate, financial, government, entertainment and sports, throughout the USA and abroad.

Prior to joining AKF, Ray was Vice President and head of commissioning for WSP + Flack + Kurtz in New York. Ray can be reached at 609.524.0179 (direct), 609.423.8290 (cell), or email RLemley@akfgroup.com.

Regis M. Gaughan, PE

Regis M. Gaughan, PE, has joined the firm as a senior mechanical engineer and a member of the healthcare leadership team in New York and Philadelphia. Prior to joining the firm, he was a principal with PWI Engineering in their healthcare practice in Philadelphia, and Vanderweil Engineers in Boston and Princeton. He brings over 35 years experience building and managing high growth engineering and AE firms with an impressive portfolio of complex projects throughout the Northeast and abroad.

Mr. Gaughan is a Professional Engineer (Mechanical) registered in Massachusetts, New Jersey, Connecticut, Vermont, New Hampshire, Pennsylvania, and New York. He is a member of the International Society of Pharmaceutical Engineers and ASHRAE, and has been a speaker at Tradeline and Build Boston conferences. Regis can be reached at 212.548.1415 (direct), 646.477.1054 (cell), or email RGaughan@akfgroup.com.
